### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

Claims 12-22 are pending.

The issues related to sequence listing and election of species, addressed in several Notices of Non-Responsive Amendments are resolved. Sequence Listing and amendments to specification filed 10/12/2007 are entered. The Sequence Listing is approved on 11/01/2007.

With respect to the restriction requirement, Examiner agrees that claims 20,21 are, first, differ from each other, and, second, can be examined together with the rest of the claims. Consequently, the restriction requirement is withdrawn.

With respect to election of species, the elected species, SEQ ID No.5 were examined; inasmuch as no prior art teaching the elected species was identified, the examination was expended to the full breadth of the claims.

There were two outstanding rejections made in the preceding Office action of 06/10/2004.

With respect to "new matter" rejection of claims 12-22 under 35 U.S.C. 112, first paragraph, Examiner agrees that specification teaches on page 9, lines 1-12, the instantly claimed compositions having at least one "L" group that is a naturally- or non-naturally occurring nucleobase substituted with a sterically bulky group.

With respect to double patenting rejection over claims of copending Application No. 08/612,661, a Terminal Disclaimer was accepted on 02/17/2005.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael Borin whose telephone number is (571) 272-0713. The examiner can normally be reached on 9am-5pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Marjorie Moran can be reached on (571) 272-0720. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
